Dual Executive Bachelor of Business Administration (EBBA) and Master of Business Administration (MBA)

An overview

The European Business University of Luxembourg's Dual Executive Bachelor Business Administration (DBA) and Master of Business Administration is an award of two professional degrees, the EBBA and MBA degree. By pursuing the combined program, candidates have a distinct advantage of completing a lower course load.

The online EBBA/MBA allows working professionals, who have a minimum of 10 years working experience, the possibility of obtaining an EBBA and the MBA degree while working full time regardless of geographic location. The infrastructure provides an interactive and intercultural global learning environment with distinct advantages. Earn your EBBA/MBA completely online and take advantage of the opportunity to specialize in one of three concentrations: Financial Markets and Securities, Financial Technology and Blockchain, and Data Science and Artificial Intelligence.

The programme will be of particular benefit to experienced senior executives, consultants, management educators and business school academics. It will enhance one's professional capability and credibility, develop networks, and provide a firm foundation for further career development or a major career move. Employers benefit from supporting candidates for the EBBA/MBA by attracting, developing and retaining key talent and building knowledge for competitive advantage.

Scheduled completion time is 36 months (Full -Time) plus the Thesis
